

SPYPEN™

zemo

2.1 MP CMOS

Instant Video Playback

Digital Zoom

Deutsch

Spypen zemo - elegant und kompakt im Metallgehäuse: Ein perfekter Begleiter für starke Bilder und heiße Videoclips, die sofort über das Display mit Sound oder am TV abgespielt werden können. Mit dem stufenlosen Digitalzoom entgeht ihnen kein Detail und die blaue LED zeigt die Aufnahmebereitschaft an. *Spypen zemo 2.1* - eine der kleinsten Digitalkameras mit Akku und Videofunktion.

English

Spypen zemo - elegant, compact and a stylish metal exterior: The perfect partner for great photos and hot video clips you can view with sound on the display or play back on your TV. With an almost infinitely variable zoom, you

won't miss a single detail. And the blue LED shows you when it's time to shoot. *Spypen zemo* - one of the smallest digicams available with battery and video function.

Español

La *Spypen zemo* es una cámara elegante y compacta con carcasa de metal. La compañera perfecta para obtener magníficas fotografías y apasionantes secuencias de vídeo que pueden ser reproducidas con sonido en la pantalla o en el televisor. Con el zoom digital continuo, no se le escapará ni un solo detalle. El logo azul (LED) le indica cuándo la cámara está lista para grabar. La *Spypen zemo* es una de las cámaras digitales más pequeñas con batería y función de vídeo.
